Instrument cases and travel baggage

The Limes Room and Victoria Room, upper level of the Town Hall Complex, will be available for bands to drop off instrument cases and personal travel baggage from 09.30 a.m.

Parade of Bands

Bands will gather and line up in order on Armagh St behind the start point. Marshals will assist bands, and Bands' Signs will be picked up in this area.

Step-off procedure

- Band One is formed up at the start point.
- Band Two is formed up behind Band One.
- Band Three is waiting behind Band Two.
- When instructed by the Inspection Judge, Band One marches off on the Parade of Bands
- Band Two marches up to the start point and halts
- The process is repeated.

Bands will step off at 2-minute intervals. Drum Majors must quickly cover and dress once they have halted at the start point, as covering and dressing are not judged at the start point.

Bands should be positioned on Armagh St, 30 minutes before their step-off time.

After the Parade of Bands, the prize-giving will be held in the Town Hall Auditorium.

There is one less band marching as one D Grade Band has withdrawn. Below is a new list of the marching order with the approximate step-off time.

At the logistics meeting on Thursday, can bands please advise if they will be halting for 30 seconds at the saluting dais area.

Inclement Weather

If the event cannot occur outside due to inclement weather, we will have bands perform on the Town Hall Auditorium stage. Bands will be advised as soon as possible, at the latest by 8.00 a.m. on Sunday.

Bands will have three minutes to move on, perform, and move off the Stage.

Bands will form up on the Victoria Square side of the auditorium foyer, move on from the right side of the stage, and move off from the left side.

We appreciate that three minutes is not a long time, but we must keep to this time to ensure the event is completed by 12.00 noon.
