

## The New Zealand National Brass Band Championships

14 – 18 July 2021 Christchurch Town Hall

### VOLUNTEERS REQUIRED

This year's National Brass Band contest in Christchurch promises to be a special occasion for several reasons. The contest will be the first live National Brass Band contest post worldwide lockdowns and sees the contest return to the iconic Christchurch Town Hall for the first time since 2008.

To ensure the contest runs smoothly we need volunteer help. You will have noticed the many friendly and helpful volunteers at recent national contests who have ensured that those contests have been successful. With your help it is now our turn to show how great a Christchurch contest can be.

Being part of New Zealand's oldest music festival, in a recently reopened world-class facility, will be a great experience. Food and drinks will be provided during your duty.

**If you are able to assist, please complete the information below and return to:**
